## State Meat Inspection Laws: New York

The state of New York does not have a state inspection program. As a result, all inspected facilities within the state are governed by USDA/FSIS [regulations](#) and [guidance](#) as to the facility and practice requirements.

However, New York does still have relevant statutory language regarding slaughter. That language is located at:

### [NY Agri & Mkts Ch. 69, Art 5-a](#)

This material is based upon work supported by the National Agricultural Library, Agricultural Research Service, U.S. Department of Agriculture
